Laurel Heights UMC Blood Drive Sunday, July 9

Everyone has their own reasons for donating blood,
but a few common ones include:

- Donating is a generous thing to do. It helps people in need, and it helps people in your community. **When you give, others live.**
- Donors, especially those who donate regularly, keep our nation's blood supply stable. Although many people donate blood after disasters, blood is needed every day of the year.
- There is no substitute for blood. Donors provide the only supply of life-saving blood for those in need.

Donating is simple, fast, and convenient. The donation process can take as little as 45 minutes of your time, but can make a life-long difference for someone else.
