OUR NEW NURSERY

You may notice something new as you enter the church through the Woodlawn entrance this fall. Our Nursery is now located in Room 105. This is the sunny, yellow room you pass on your way into and out of the church.

With delight, we outgrew the previous location we were using in the Weekday School. We anticipate even more growth as the little ones we now care for begin to grow and as our church family continues to grow.

This space is large enough to safely accommodate both infants and toddlers. The centralized location makes it easily accessible for visitors and convenient for parents who might want their children with them for a portion of worship.

The nursery now provides enough space for a Bible story time at the table. Angie has written a beautifully simple curriculum that shares God's love with our children. She is looking for people who love children and like to sing to spend 15 minutes on Sunday morning with the littlest among us. Ask her for more information if you have some love to share!
